The Easement detailed herein creates a right in favor of Grantee(s), but shall in no way be deemed to impose an obligation unto the Grantee(s) for the construction, repairing or addressing of any issues that may materialize.

- (iii) Plat Easement(s). The Plat and/or Additional Plat, if any, may contain additional easements not discussed herein, granted in favor of the Association, Owners or others, for the specific purposes as described therein.

Each Owner hereby grants to the Association an easement for the purposes of accomplishing the repairs, maintenance, replacement or any other work necessary to enforce the provisions of this section.
- 4.5 Enforcement of Duties. Further, in the event Declarant should perform certain of the obligations of the Association, this shall not constitute a waiver with respect to the Association's obligation to perform such duties and with respect to the right of Declarant and Owners to bring legal proceedings to compel the Association to perform its duties and reimburse Declarant for cost expended by Declarant in expending such

duties. Furthermore, the Association may not diminish or eliminate any obligation of the Association by amendment to its Articles of Incorporation or its Bylaws, or by any other method, without Declarant's written consent thereto, so long as Declarant owns any Property or Additional Property annexed thereto.

- 4.6 Fines. In addition to all other remedies, in the sole discretion of the Board of Directors of the Association, a fine or fines may be imposed upon an Owner for failure of an Owner, his family, guests, invitees, tenants, or contractors to comply with any covenant, restriction, Rule, regulation contained herein, or Rules or regulations promulgated under the Articles of Incorporation, Bylaws of the Association, or by the Board of Directors, provided the following procedures are adhered to:

- (c) <u>Appeal</u>. Any appeal process provided by Florida Statutes shall be available to any offending party.
- (d) Fines. The Board of Directors may impose fines at its reasonable discretion, which may exceed any amounts set forth in Chapter 720, Florida Statutes. Each day a violation continues to exist, it shall be a separate violation without need for additional notices or appeals. The Association shall be entitled to collect the maximum amount permitted hereunder.
- (e) <u>Payment of Fines</u>. Fines shall be paid not later than thirty (30) days after notice of the imposition or Assessment.
- (f) <u>Collection of Fines</u>. Fines shall be treated as an Assessment otherwise due to the Association, but no fine shall become a lien against a Lot.
- (g) Application. All monies received from fines shall be allocated as directed by the Board of Directors.
- (h) Nonexclusive Remedy. These fines shall not be constructed to be the exclusive remedy and shall exist in addition to all other rights and remedies to which the Association may be otherwise legally entitled; however, any fine paid by the offending Owner shall be deducted from or offset against any damages that the Association may otherwise be entitled to recover by law from such Owner.

4.7 Special Enforcement Rights. Violation of any conditions or restrictions or breach of any covenant herein contained shall also give the Declarant, its successors and assigns, and/or the Association and its authorized agent or representative, in addition to all other remedies, the right to enter upon the land on which such violation or breach exists and summarily to abate and remove, at the expense of the Owner of said land, any construction or other violation that may be or exist thereon contrary to the intent and provision hereof; and the Declarant, its successors and assigns and/or the Association and its authorized agents shall not thereby become liable in any manner for trespass, abatement or removal. The lease shall also obligate the tenant to comply with the foregoing, and the lease shall provide that the violation of any provision of this Declaration and Supplemental Declarations, if any, shall be a breach of said lease, subjecting the tenant to termination of the lease and eviction. In addition, any violations of the covenants contained in this Declaration by the tenant or any person residing at the Lot shall be the responsibility of the Lot Owner. The Board may request that the Owner submit the lease to the Board and the Board shall have sole discretion to approve or deny the lease. - 7.4 Transfer of Ownership Fee. Upon each and every transfer or conveyance of title to a Lot after it has been improved with a dwelling for which a certificate of occupancy has been issued, a working capital contribution in the amount of \$200.00, which amount may be increased or decreased from time to time by the Board in its sole discretion, shall be collected from the new Owner at the closing of such transaction and disbursed to the Association; or if not collected at closing, shall be paid immediately upon demand to the Association.
- 7.5 <u>Creation of Lien and Personal Obligation</u>. Each Owner of any Lot by acceptance of a deed whether or not it is expressed in the deed, covenants and agrees to pay to the Association:
  - (a) Assessments for Common Expenses;
  - (b) Special Assessments to be established and collected as hereinafter provided; and
  - (c) Specific Assessments. Any and all accrued, liquidated indebtedness of any Owner to the Association arising under any provision of this Declaration, or by contract, express or implied, or because of any act or omission of any Owner or person for whose conduct such Owner is legally responsible, interest at the highest rate allowed by applicable law, also may be assessed by the Association against such Owner's Lot after such Owner fails to pay such indebtedness within thirty (30) days after written demand. This shall include fines levied for the actions of any Owner, or guest, invitee, or family member of such Owner.

All Assessments and costs of collection for delinquent assessments along with interest on delinquent Assessments, administrative fee for collection, and reasonable attorney fees shall be a continuing lien upon the Lot against which the Assessment is made. Each Assessment together with interest, administrative fee, and a reasonable attorney fee shall also be the personal obligation of each person who is the Owner of the Lot at the time the Assessment is levied. Each Owner shall be liable for his or her portion of each Assessment and his or her grantee shall be jointly and severally liable for any portion that may be due at the time of conveyance. Assessments shall be paid in the manner and upon the date specified by the Board of Directors and unless otherwise provided by the Board, shall be paid in monthly installments or in one annual payment. Each Lot shall be assessed equally for annual Assessments and special Assessments.

- 7.6 Special Assessments. In addition to the annual Assessments for Common Expenses authorized above, the Board may levy in an assessment year, a special Assessment for unanticipated expenses not included within the budget and not reserves, as long as the Declarant is exercising its rights under the provisions hereof, not to pay assessments. Meetings for special purpose of considering special assessments shall be held only after due notice to the Owners mailed not less than thirty (30) days prior to the date of the meeting.
- 7.7 <u>Liens or Assessments.</u> All sums assessed against any Lot pursuant to this Declaration together with interest as provided herein shall be secured by a continuing lien upon such Lot in favor of the Association. The lien shall be superior to all other liens and encumbrances on the Lot, and shall relate back to the recording of this Declaration and shall be superior to any homestead rights, except for liens of ad valorem taxes and mortgages held by institutionalized lenders. Persons other than recognized lending institutions acquiring interests other than first mortgages liens or encumbrances on any Lot after this Declaration shall have been recorded in the public records shall be deemed to consent to the liens and Assessments of the Association and the subsequent liens shall be inferior to future liens for Assessments of the Association whether or not prior consent be specifically set forth in the instrument creating such liens or encumbrances.
- Remedies of the Association to Enforce Assessments. Any Assessments which are not paid when due shall be delinquent. Any Assessment delinquent for a period of more than ten (10) days shall incur an administrative charge for collection in the amount the Board of Directors may determine from time to time. If the Assessment has not been paid within thirty (30) days, the Assessment liens shall commence to include interest on the principal amount at the maximum rate per annum allowed by law from the date first due and payable, plus an administrative charge or late fee as allowed by law, and costs for collection, including a reasonable attorney's fee and all costs through any appeal. In the event that the assessment remains unpaid after sixty (60) days, the Association may commence legal action to collect the Assessments or to forcelose its lien. Each Owner by his or her acceptance of a deed to a Lot, vests in the Association or its agents the right and power to bring all actions against it personally for the collection of such charges as a debt or to forcelose the aforesaid lien in the same manner as liens for mortgages on real Property. The lien provided for in this Article shall be in favor of the Association and shall be for the benefit of all Owners.
- 7.9 <u>Date of Commencement of Annual Assessments</u>. Annual Assessments shall commence upon conveyance of the Lot to a Member, other than Declarant and Builder. The annual

assessment shall be payable in the manner and on the schedule the Board of Directors may provide, and if not stated in the budget, shall be on the first of the month, and begin to accrue late fees and interest if not paid within fifteen (15) days after the due date.

Notwithstanding anything herein to the contrary, as long as Class B Membership exists, Declarant and/or Builder may elect not to pay the Assessments. If Declarant and/or Builder elect not to pay the Assessments, Declarant and/or Builder shall pay the deficit of the Association, if any, which is the difference of the actual operating expenses of the Association (but specifically not including an allocation of capital reserves) and the sum of annual, special, and specific assessments collected by the Association in any fiscal year ("Deficit Fund"). In the event Declarant and Builder both elect to Deficit Fund, Declarant and Builder shall divide the Deficit Fund on a proportional basis that is based on the number of Lots each one owns. Upon termination of Class B Membership or in the event Declarant or Builder voluntarily terminate this right to Deficit Fund, Declarant and/or Builder shall be obligated to pay Assessments in accordance with this Declaration.

7.10 Exempt Property. The Assessments, charges and liens created under this Article shall not apply to the Common Area nor shall) the Assessments apply to land or easements dedicated to and accepted by local public authority or any land used by a utility company.

### ARTICLE VIII GENERAL PROVISIONS

- 8.1 Run with the Land. This Declaration is to run with the land and shall be binding on all parties and persons claiming under it for a period of thirty (30) years from the date it is recorded after which time it shall be extended automatically for successive periods of ten (10) years, unless an instrument signed by two-thirds of the Owners of the Lots agree to change the covenants in whole or in part and is recorded.
- 8.2 Amendments. The covenants and restrictions of this Declaration may be amended by an instrument signed by the Board of Directors of the Association with an attached certification that the amendments have been approved by the required voting percentage at a properly noticed meeting of the Association where the required quorum was present in person or by proxy or with an attached joinder signed by Owners, Declarant, and/or Builder with the required voting interest to approve such amendment.

This Declaration may be amended by a majority vote of those eligible to vote at a properly noticed meeting where a quorum is present. A quorum shall be twenty percent (20%) of the total voting interest of the Association. An Owner must be current on all its Assessments and financial accounting to be eligible to vote.

The Declarant retains the right to amend the Declaration until the sale of the last Lot to comply with any governmental requirement or request, or to correct errors, or any requirement by an institutional lender which commits to make mortgage loans for homes in the Subdivision, without the consent of the Ownership, during the period of time before control of the Association.

is required to be turned over to the Ownership. Such amendment by the Declarant shall not prejudice the Ownership or diminish the property rights of Owners, nor shall they transfer any of the Declarant's obligations to the Association or to the Owners. Until such time as the last Lot which the Declarant holds for sale in the ordinary course of business is conveyed by the Declarant, it specifically reserves for itself, its successors and assigns the absolute and unconditional right to amend, alter, modify, change, revoke, rescind, or cancel any or all of the restrictive covenants contained in this Declaration or hereinafter included in any subsequent Declaration; provided, however, that no such amendment, alteration, modification, revocation, rescission, or cancellation shall prejudice or otherwise impair the security, rights and priorities of any mortgagee of record as to any of the Lots. All or any portion of the Property may be removed from the lien and operation of this Declaration by an amendment executed by the Declarant for such purposes, provided there are no conveyances of Lots or residential units constructed upon the Property being removed from the lien and operation of this Declaration. Notwithstanding any other provision in this Declaration, the Articles or Bylaws to the contrary, the Board shall have the power to unilaterally amend this Declaration to bring any provisions herein into compliance with any governmental or quasigovernmental statute, rule, regulation, or requirement, or judicial ruling. To the extent legally required, each Owner shall be deemed to have granted to the Association an irrevocable power of attorney, coupled with an interest, for this purpose. Any amendment to the Covenants and Restrictions that alters the stormwater management system, beyond maintenance in its original condition, including mitigation or preservation areas and the water management portions of the common areas, must have the prior approval of the Agency.

- B.3 Indemnification. The Association shall indemnify and hold harmless every Officer, Director and Owner on the ARC and all other committee members, as well as Declarant (collectively, the "ARC and Committee Members"), against any and all expenses, including reasonable attorneys' fees, incurred by or imposed upon any ARC and Committee Members in connection with any action, suit or other proceeding (including settlement of any suit or other proceeding if approved by the Board of Directors) to which he/she may be made a party by reason of being or having been an ARC and Committee Members, at the time such expenses are incurred, unless liability is determined to be the result of his/her own individual willful misconduct, gross negligence or nonfeasance. Any right to indemnification provided for herein, shall not be exclusive of any other rights to which ARC and Committee Members, or former ARC and Committee Members, may be entitled. The Association may as a common expense, maintain adequate general liability and Officers' and Directors' liability insurance to fund this obligation.
- 8.4 Eminent Domain. In the event of a threatened taking of a Common Area, the Association shall have a power to take all action with respect to such taking. The Board may act in its sole discretion with respect to any awards being made in connection with the taking and shall be entitled to a voluntary sale to the condemnor in lieu of engaging in a condemnation action. Any awards received on account of the taking shall be paid to the Association. In the event of taking of less than all the Common Area, the rules as to restoration, replacement of any Common Area and the improvement thereon shall apply as in the case of destruction of improvements upon the Common Area.

8.5 <u>Insurance</u>. The Association shall obtain, to the extent reasonably available and at a reasonable cost, insurance it deems necessary which may include, but not limited to, the following policies of insurance:

(a) fire and extended coverage insurance on all improvements upon the Common Area and Areas of Common Responsibility in the amount of 100% of the full insurance replacement cost value of the improvements, or as determined by the Board;

(b) general comprehensive public liability insurance against liability to and claims of the public, an Owner of the Association and any other person with respect to liability occurring upon the Common Area or the Areas of Common Responsibility based upon or arising out of the Association's Ownership or use of the Common Area or Areas of Common Responsibility. The minimum combined single limits of liability shall not be less than \$1,000,000 per occurrence and \$1,000,000 aggregate. The liability insurance shall name, as separately protected insured, the Declarant, the Association, the Board, the ARC (if economically feasible) and their respective Owners, employees, officers, agents and representatives.

The Association shall furnish the insurance contemplated and any judgment by the Association as to the amount and type of insurance shall be reasonable and shall be made after due deliberation in good faith and based on institutionalized lender's loan guidelines.

- 8.6 Contracts with Declarant or Third Parties. The Association and Declarant are authorized to enter into mutual contracts for any services the Declarant is capable of providing to the Association. The contract shall be an arm's length transaction subject to such terms and conditions as the parties may agree. Any third-party contract must be capable of being terminated with thirty (30) days' notice. Agreements with any Association management company shall clearly state any estoppel fees due to the management company for a change of title of a Lot.
- 8.7 <u>Headings</u>. It is further declared that the headings or titles inserted in the Declaration and any subsequent amendments are inserted solely for the convenience of reference and shall not constitute a part of this agreement nor shall they affect its meaning, construction or effect.
- 8.8 Traffic. Traffic in any of the streets and roads or ways in the Subdivision shall be subject to the provisions of the laws of the State of Florida concerning operation of motor vehicles on public streets. The traffic laws shall operate as restrictive covenants and shall be enforceable by the powers of the Association, as well as applicable law enforcement agencies, including the right to collect reasonable fines for violation thereof. Reasonable speed limits may be designated by the Board of Directors of the Association and shall be posted in the Subdivision. Only drivers licensed to operate or recognized by the State of Florida may operate any type of motor vehicle or golf cart (as permitted by applicable law) on the streets of the Subdivision. The Association is empowered to pass, administer and enforce reasonable rules and regulations for control of traffic and safety. Automobiles and trucks with noisy exhaust systems or excessive emissions shall not be operated in the Subdivision. There shall be no racing whatsoever on the streets. All vehicles parked or driven in the Subdivision shall have a current registration tag on the vehicle. Neither go-carts, motorized scooters nor three (3) and four (4) wheel all terrain vehicles shall be operated within the Subdivision. All vehicles of every kind and nature which are allowed on the streets of

the Subdivision, shall be operated in a careful and quiet manner, and with consideration for all Owners of the Community, and in a manner to be expected from a reasonable, prudent person. Vehicles may only be operated in areas designated by the Association for vehicle operation.

WHERE PERMITTED BY LOCAL LAW ENFORCEMENT AGENCIES NAD MUNICIPAL GOVERNMENT, THE DECLARANT MAY ELECT TO INSTALL ENTRY/EXIT GATES OR SUCH OTHER TRAFFIC CONTROL DEVICES UPON THE STREETS AS IT-MAY, IN ITS SOLE DISCRETION, DETERMINE TO BE IN THE BEST INTERESTS OF THE ASSOCIATION AND ITS MEMBERS. THE ASSOCIATION SHALL PAY FOR THE COST OF MAINTENANCE AND REPAIR OF SUCH DEVICES AS PART OF ITS BUDGET PROCESS, AND SUCH DEVICES SHALL NOT BE AN INTERFERENCE WITH ANY EASEMENT HEREUNDER.

- 8.9 <u>Perpetual Fasement</u>. Notwithstanding any provisions of this Declaration or any amendments. thereto, no easements in the Common Area or Areas of Common Responsibility for ingress and egress may be terminated, said easements being intended to be perpetual; this will apply regardless of the termination of the restrictive covenants contained in this Declaration and regardless of the termination of the Declaration itself. Furthermore, notwithstanding the termination of this Declaration, the Association's power to make Assessments and its duties to maintain the Common Area and Areas of Common Responsibility shall survive the termination of this Declaration unless the instrument of termination specifically provides otherwise.
- Supplemental Declarations and Additions to Existing Property. Declarant, in its sole and absolute discretion, may file such Supplemental Declarations as it deems appropriate from time to time, and the same will be amended from time to time as additional phases of the Subdivision are developed, without the necessity of any joinder by the Association or by any Owners in the Subdivision; there is reserved in the Declarant the unrestricted right to grant easements in all roads and Common Area throughout the Property to all Owners of Lots in the Subdivision (including phases to be developed by use of a Supplemental Declaration). The right of the Declarant to extend all of the benefits of easements, as development proceeds in phases, to all Owners of Lots in the Subdivision, over roads and over other Common Area throughout the existing properties and future additions thereto is absolute and may be exercised at any time and from time to time without the joinder and without the consent of the Association or of any Owner or mortgagee whomsoever. It is likewise intended that notwithstanding the provisions of Section 2.2 (e) or of any other provision of the Declaration, neither the Association's consent nor that of its Owners shall be necessary for Declarant to grant utility easements to public utility companies and to governmental units, so long as the easements are over Common Area, Areas of Common Responsibility or over portions of Lots then owned by the Declarant.

As additional phases are developed, they shall be additional properties within the jurisdiction of the Association entitled to the easements granted herein and subject to the restrictions and assessments set out herein. The additions shall be made by filing of record one or more Supplemental Declarations with respect to the properties to be subject to this Declaration. A new supplementary filing shall extend the jurisdiction of the Association and the undivided interest in the Common Area and Areas of Common Responsibility to the additional property owners and thereby shall subject the additional property to Common Area easements and

Assessments for its just share of the Association's expenses. Each supplemental declaration may contain complementary additions and modifications of this Declaration to reflect the different character, if any, of the added properties; provided, however, that such supplemental declaration shall not revoke or otherwise amend this Declaration as it applies to the existing Property.

- 8.11 <u>Severability</u>. Invalidation of any one of these covenants or restrictions by judgement or court order shall in no way affect any other provisions which shall remain in full force and effect.
- 8.12 <u>Declarant and Builder's Rights</u>. The provisions of this Declaration shall not be applicable to prevent or hinder the activities of Declarant or Builder in developing, marketing, and operating the Community. Additionally, and notwithstanding any other provision of this Declaration, Declarant and its designees or Builder may employ such methods of marketing including signage, parking facilities for models, and operation of sales and construction offices, as deemed appropriate in Declarant's or Builder's sole discretion, and for ingress and egress over the Common Area for this purpose.
- 8.13 <u>Declarant and Builder Reservation</u>. Any provision of this Declaration to the contrary notwithstanding, until Declarant or Builder has completed all of the contemplated improvements and the Lots have been sold to Third Party Purchasers, neither the Owners nor the Association shall interfere with, or allow the interference with, the completion of Declarant's or Builder's planned improvements and the sale of the Lots. Declarant and Builder may make such lawful use of the unsold Lots and the Common Areas, without charge, as may facilitate such completion and sale, including, but not limited to, maintenance of sales and construction trailers and offices, the showing of the Lots and the display of signs and the use of Lots for vehicular parking. Without limiting the generality of the foregoing, except only when the express provisions of this Declaration prohibit Declarant or Builder from taking a particular action, nothing in this Declaration shall be understood or construed to prevent or prohibit Declarant or Builder from any of the following rights:
  - (a) Doing on any property or Lot owned or controlled by it, whatever it determines to be necessary, convenient or advisable in connection with the completion of the development of the Property or construction of residential dwellings, including without limitation, the alteration of its construction plans and designs as Declarant or Builder deems advisable in the course of development (all models or sketches showing plans for future development of the Property, as same may be expanded, may be modified by Declarant or Builder at any time and from time to time, without notice), or //
  - (b) Erecting, constructing and maintaining on any property or Lot owned or controlled by Declarant or Builder, such structures as may be reasonably necessary for the conduct of its business of completing said development and establishing the Property as a community, constructing residential dwellings and disposing of the same by sale, lease or otherwise; or

(c)

Conducting on any property or Lot owned or controlled by Declarant or Builder, its business of developing, subdividing, grading and constructing improvements on the Property and of disposing of Lots therein by sale, lease or otherwise; or

(d) Determining in its sole discretion the nature of any type of improvements to be initially constructed as part of the Development or the Property; or

- (e) Maintaining such sign or signs on any property or Lot owned or controlled by Declarant or Builder as may be necessary or desired in connection with the operation of any Lots owned by Declarant or Builder or the sale, lease, marketing or operation of the Lots; or
- (f) Recording Supplemental Declarations that modify or amend this Declaration, which add or withdraw Additional Property, or that otherwise allow or permit Declarant to effect any action which may be required of Declarant by the local government or any other Governing Authority or quasi-governmental agency in connection with the development and continuing operation of the Property; or
- (g) Modifying, changing, re-configuring, removing or otherwise altering any improvements located on the Common Areas or utilizing all or portions of the Common Areas for construction access or staging (provided that same does not impair existing platted access (as shown on any recorded Plats) or utility services to the Lots), or
- (h) Causing utilities to be available to all portions of the Property, including, but not limited to, the reserving or granting of easements and rights of way as may be necessary to locate, install and maintain facilities and connections.

- 8.18 Waiver of Jury Trial. The Association and all Owners agree to waive trial by jury in respect of any dispute and any action on dispute. This waiver is knowingly, willingly, and voluntarily made by both parties, and both parties hereby represent that no representations of fact or opinion have been made by any person or entity to induce this waiver of trial by jury or to in any way modify or nullify its effect. ### ARTICLE IX DISCLAIMER OF LIABILITY OF ASSOCIATION

- 9.1 <u>Disclaimer of Liability</u>. Notwithstanding anything contained herein or in the Association Documents, neither the Association, Builder, nor the Declarant nor any officer or employee (collectively, the "Indemnified Parties") thereof shall be liable or responsible for, or in any manner a guarantor or insurer of, the health, safety or welfare of any Owner, occupant or user of any portion of the Subdivision including, without limitation, residents and their families, guests, invitees, agents, servants, contractors or subcontractors or for any property of any such persons. Without limiting the generality of the foregoing:
- (a) it is the express intent of the Association Documents that the various provisions thereof which are enforceable by the Association and which govern or regulate the uses

of the properties have been written, and are to be interpreted and enforced, for the sole purpose of enhancing and maintaining the enjoyment of the Property and the value thereof;

/ (b) the Association is not empowered, and has not been created, to act as an entity which enforces or ensures the compliance with the laws of the United States, State of Florida, the County and /or any other jurisdiction or the preventions of illegal activity;

(c) any provisions of the Association Documents setting forth the uses of Assessments which are related to health, safety, security and/or welfare shall be interpreted and applied only as limitations of the uses of Assessment funds and not as creating a duty of the Association to protect or further the health, safety, security or welfare of any person(s), even if Assessment funds are chosen to be used for any such reason.
