These regulations shall be binding upon each Owner and the Association may impose reasonable monetary fines and other sanctions for violation of the rules.

ARTICLE III PROPERTY OWNER'S ASSOCIATION

3.1 Ownership. It shall be mandatory that each Owner shall be a Member of the Association and entitled to the beneficial enjoyment thereof. Ownership of the Lot shall be sole qualification for Membership in the Association and Membership shall not run to persons who hold an interest in a Lot merely as security for performance of an obligation. When any Lot is owned of record in joint or multiple tenancy, the multiple Owners shall designate, by written notice to the Association, a representative to be the Owner/Member entitled to vote. If no representative is designated by the Owners, the Board of Directors of the Association may select one of the Owners of record or person exercising beneficial use of the Lot to be the representative for the Lot until one is designated by the Owners, unless the Owners of the Lot cannot agree, in which case, no vote may be cast for that Lot until selected by the owners.

3.2 Voting. The Association shall have two (2) classes of Members, Class "A" and Class "B" Members, if any, as follows:

(a) Class "A". Class "A" Members shall be all Owners, with the exception of Class "B" Members, if any. Class "A" Members shall be entitled to one (1) vote for each Lot in which they hold the interest required for Ownership by Section 3.1 hereof; there shall be only one (1) vote per Lot;

(b) Class "B". Class "B" Members shall be the Declarant and Builder, as well as any successor of Declarant or Builder who takes title for the purpose of development and sale, and who is designated as such in a recorded instrument executed by Declarant. i. Three (3) months after ninety percent (90%) of the Lots in the Community, including all additions pursuant to Section 8.12 herein, that will ultimately be operated by the Association have been conveyed to Class "A" Members; or

ii. Declarant, in its sole and absolute discretion, elects to terminate its Class "B" Membership by written notice of such election delivered to the Association (whereupon the Class "A" Members shall be obligated to elect the Board and assume control of the Association).

Notwithstanding that there shall be two (2) classes of voting membership in the Association, voting shall be based upon the votes cast by the membership as a whole; not on votes cast by or within each class of voting membership.

From and after the happening of these events, whichever occurs earlier, the Class "B" Member shall be deemed to be a Class "A" Member entitled to one (1) vote for each residential Lot in which it holds the interest required for Ownership under Section 3.1. hereof. At such time, the Declarant shall call a meeting, as provided in the Bylaws of the Association for special meetings, to advise the Members of the termination of Class "B" status and conduct a turn-over meeting as defined in Chapter 720 of the Florida Statutes. Declarant's failure to conduct such meeting shall not affect or nullify Declarant's termination of any of its rights or obligations. So long as Declarant has one (1) Lot in the Subdivision, Declarant shall have the right to appoint one (1) Owner to the Board of Directors.

(c) Owners may vote by proxy, but only on subject matter previously noticed to the ownership as an agenda item.

3.3 Powers. The Association shall have such general powers as are necessary to perform the obligations and duties set out in this Declaration including, but not limited to: buy and convey real property, conduct social activities, enter into contracts, install and maintain irrigation in Common Areas, hire a management company, make capital improvements, indemnify Officers and Directors, adopt rules and regulations for the general well-being of the Subdivision, levy fines against delinquent Owners and their Lot, obtain and maintain such policies of insurance as required by the Declaration and such other policies as the Board deems necessary and desirable for the protection of the Association and its Owners. 3.4 Annual Meetings. The annual meeting of the Association shall be held in the third week of January of each year on a date and at a time and place as set by the Board. The Board also has the power to change the date, time and place of the meeting for the convenience of the membership in accordance with the Bylaws.

RIGHTS & OBLIGATIONS OF THE ASSOCIATION

4.1 Maintenance. The Association shall maintain and keep in good repair the Common Area and the Area of Common Responsibility and for this purpose may levy the Assessment described hereinafter. The Association shall keep the Common Areas and Areas of Common Responsibility as originally improved by the Declarant or as modified with the consent of ARC and shall keep all common facilities in good repair, in a safe, attractive and orderly condition.

The roads in the Subdivision are publicly maintained roads.

4.2 Enforcement. The Association, the Declarant, and any Owner may enforce the provisions of this Declaration by appropriate means, including but without limitation the employment of legal counsel and the commencement of legal actions. The Association may promulgate rules for fines against Owners violating the Declaration and/or Rules of the Association in accordance with law. Obligations of the Association are legally enforceable by any Owner and also the Declarant. Failure to enforce any of the covenants, conditions, restrictions, easements and assessments contained herein does not waive the Association's, Declarant's or Owner's right to insist on compliance in the future. In any action to enforce the provisions of this Declaration, the prevailing party shall be entitled to an award of its reasonable attorney's fees and court costs.

4.3 Utilities. The Association may contract, as a common expense, for any or all cable or satellite television distribution, Internet, electricity, water, electric services and refuse collection for the Lots or the Common Areas and Areas of Common Responsibility, but has no obligation to do so, where the price savings on a bulk basis is of such a magnitude that it benefits the membership as a whole.

4.4 Easements. The Association or Declarant may grant easements when necessary for utilities over the Common Area and any portion thereof to serve the Subdivision and any portion thereof. An easement is hereby granted to the Association and retained by Declarant, without any obligation to do so, for the purposes of accomplishing the repairs, maintenance, replacements or any other work necessary to enforce the provision of this section.

4.5 Damage to Common Areas and Owner's Maintenance of Lot. In the event the Board of Directors or Officers of the Association determines that any Owner has failed or refused to discharge properly his obligations with respect to the maintenance, repair or replacement of any items for which an Owner is responsible or finds that any Owner, or agent of an Owner or independent contractor of an Owner, is responsible for damage to the Common Area or Area of Common Responsibility, the Association shall give the Owner written notice of the Association's intent to provide the necessary maintenance, repair or replacement at the Owner's sole cost and expense which notice shall set forth with particularity the maintenance, repairs, and replacement deemed necessary. The Owner shall have fifteen (15) days from the date of mailing the notice by certified United States mail to complete the maintenance, repair or replacement or appear before

the Board of Directors to contest its determination. If the Owner fails in this obligation, the Association may provide such maintenance, repair and replacement at the Owner's sole cost and expense and the cost shall be added to and become part of the Assessment for which the Owner is responsible and shall become a lien against the Lot of the Owner enforceable by the Association plus all costs of collection including reasonable attorney fees through appeal. Each Owner hereby grants to the Association an easement for the purposes of accomplishing the repairs, maintenance, replacement or any other work necessary to enforce the provisions of this section.

4.6 Enforcement of Duties. Notwithstanding any other provision of this Declaration, the duties of the Association with respect to levying Assessments sufficient to perform its duties and the duty of the Association to provide maintenance of the Common Areas and Areas of Common Responsibility and to enforce the provisions of this Declaration and of its Articles of Incorporation and Bylaws and to enforce any other duties imposed upon it by law or contract, are mandatory contractual duties which shall be specifically enforceable by injunction and by other remedies in legal proceedings which may be brought by any Owner or by Declarant. Further, in the event Declarant should perform certain of the obligations of the Association, this shall not constitute a waiver with respect to the Association's obligation to perform such duties and with respect to the right of Declarant and Owners to bring legal proceedings to compel the Association to perform its duties and reimburse Declarant for cost expended by Declarant in expending such duties. Furthermore, the Association may not diminish or eliminate any obligation of the Association by amendment to its Articles of Incorporation or its Bylaws, or by any other method, without Declarant's written consent thereto, so long as Declarant owns any Property or additional lands annexed thereto.

4.7 Fines. In addition to all other remedies, in the sole discretion of the Board of Directors of the Association, a fine or fines may be imposed upon an Owner for failure of an Owner, his family, guests, invitees, tenants, or contractors to comply with any covenant, restriction, rule, regulation contained herein, or rules or regulations promulgated under the Articles of Incorporation, Bylaws of the Association, or by the Board of Directors, provided the following procedures are adhered to:

Included in the notice shall be the date and time of the next Board of Directors meeting at which time the Owner shall present reasons why fine(s) should not be imposed.

(b) Hearing: The noncompliance shall be presented to the Board of Directors after which the Board of Directors shall hear reasons why fines should not be imposed. (c) Appeal: Any appeal process provided by Florida Statutes shall be available to any offending party.

(d) Fines: The fines imposed by the Board of Directors may, in its discretion, exceed any amounts set forth in Chapter 720, Florida Statutes. The Board may further suspend, for a reasonable time, the rights of the Owner or Owner's guest, tenants or invitees to use Common Areas and recreational facilities. Each day a violation continues to exist, it shall be a separate violation without need for additional notices or appeals. The Association shall be entitled to collect the maximum amount permitted hereunder.

(e) Payment of Fines: Fines shall be paid not later than thirty (30) days after notice of their imposition.

(f) Collection of Fines: Fines shall be treated as an Assessment otherwise due to the Association, but no fine shall become a lien against a Lot.

(g) Application: All monies received from fines shall be allocated as directed by the Board of Directors.

(h) Nonexclusive Remedy: These fines shall not be construed to be the exclusive remedy and shall exist in addition to all other rights and remedies to which the Association may be otherwise legally entitled; however, any fine paid by the offending Owner shall be deducted from or offset against any damages that the Association may otherwise be entitled to recover by law from such Owner.

4.8 Special Enforcement Rights. Violation of any conditions or restrictions or breach of any covenant herein contained shall also give the Declarant, its successors and assigns, and/or the Association and its authorized agent or representative, in addition to all other remedies, the right to enter upon the land on which such violation or breach exists and summarily to abate and remove, at the expense of the Owner of said land, any construction or other violation that may be or exist thereon contrary to the intent and provision hereof; and the Declarant, its successors and assigns and/or the Association and its authorized agents shall not thereby become liable in any manner for trespass, abatement or removal. The Declarant and/or the Association may impose liens upon the Lot of an Owner for amounts incurred for such abatement and removal which the Owner fails to pay upon written request.

4.9 Common Areas. There will be Common Areas for use by all residents and their guests. The Association shall be responsible for the ownership, operation and maintenance of said area.

The granting of any such a variance shall be on a case by case basis and solely at the discretion of the Board of Directors. Additionally, the granting of a variance by the Board of Directors shall have no bearing whatsoever on any future variance requests.

4.11 Wall, Fence, and Landscaping. If a wall and/or fence, entry feature and/or gate and landscaping exists around parts of the Subdivision, the Association shall have the responsibility for maintaining this wall, fence, entry feature and/or gate and/or landscaping. As shown on the Plat or separate casement, the Association is hereby granted easements for access to the walls, fences and landscaping for maintenance purposes. On those Lots which border the walls, the Association shall be responsible for repainting and maintaining the wall, and an easement for access for maintenance, replacement, and repair thereto is hereby reserved to the Association for this purpose. All service lateral entrance installations, or that portion thereof served by said underground electrical distribution system, shall be installed underground and maintained in accordance with the specifications of the appropriate governing entity(ies) for such installation.

5.17 Common Areas. Nothing herein shall be interpreted as to limit in any way the Declarant's right or Builder's right to use the Common Areas and its related facilities for the sales and promotion of properties.

5.18 Swimming Pools. Spas. Basketball Backboards. Trampolines. Above ground swimming pools are not permitted. All pools and spas must have the written approval of ARC prior to installation. No basketball backboards, permanent or portable are permitted in any location unless approved in writing by ARC. No trampolines are permitted in any location unless approved in writing by ARC.

5.19 Hardship Waiver. ARC is authorized, but not required, to grant hardship waivers to Owners in the event, in the ARC's absolute discretion, the strict application of these restrictions presents a bona fide hardship that is not self-imposed.

5.20 Minimum Square Footage of Improvements. Any home on any Lot described herein shall contain, at a minimum, 1500 square feet of living area. Living area does not include: garages, porches (open or screened), terraces, or patios.

5.21 Trailers. Trucks. School Buses. Boats. Boat Trailers. No house trailers, motor homes, mobile homes, school buses, trucks or commercial vehicles, recreational vehicles, off-road vehicles, tandem axle vehicles, motorcycles, campers, habitable motor vehicles of any kind, boats, or boat and other trailers, shall be kept, stored or parked overnight either on any street or on any Lot, except within garages and the garage door closed (if applicable). The foregoing will not be interpreted, construed, or applied to prevent the temporary non-recurrent parking of any vehicle, boat or trailer for a period not to exceed forty-eight (48) hours upon any Lot, driveway or street. Notwithstanding the foregoing, passenger automobiles (including SUVs and light trucks without

commercial markings) may be parked in driveways. There shall be no major or extended repair or overhaul performed on any vehicle, boats, or trailers on the Lots. All vehicles, boats and trailers shall have current license plates. If any vehicle, boat, or trailer is in violation of this provision, the Association shall have the immediate right to have the offending vehicle, boat, or trailer towed away at the expense of the Owner thereof, and an easement to enter the Lot is reserved in favor of the Association for this purpose. This Section shall be liberally interpreted to permit the Association or any other party having the right to enforce these restrictions to keep the streets within the Subdivision free from congestion and from the parking, repair, or storage of unsightly or oversize vehicles and other rolling stock which may detract from the character of the Subdivision.

5.22 Livestock and Pets. No animals, livestock, poultry, or pets of any kind shall be raised, bred, or kept on any Lot, except that not more than three (3) household pets per Lot may be kept provided, however, that no more than two (2) of such pets may be dogs, and provided further that they are not kept, bred, or maintained for any commercial purposes. Such household pets must not constitute a nuisance or cause unsanitary conditions. For the purposes of this Section 5.22, pets shall be deemed to constitute a nuisance if they create excessive or disturbing noises, whether by barking or otherwise, or if the pet has shown any violent or aggressive behavior or otherwise poses a danger to the health, safety, or welfare of any person. Animals which have attacked or bitten any person or another person's pet shall constitute a nuisance and shall not be kept on any Lot. All pets must be kept on leashes or within secure enclosures when out of doors. For purposes of this Section 5.22, invisible electronic fences are not deemed to be fences in compliance herewith. The foregoing expression of specific behaviors that shall constitute a nuisance shall in no way limit the determination that other behaviors also constitute a nuisance. Any pet in violation of this section shall be brought into compliance within twenty-four (24) hours of notice by the Association, including but not limited to, the removal of the pet from the Subdivision if the pet has attacked or bitten a person or other person's pet. Maintenance and keeping of pets on the Property and in any residence may be otherwise regulated in any manner, consistent herewith, by the Rules as may from time to time be established by the Board of Directors.

5.23 Offensive Activities. No noxious, offensive, or illegal activities shall be carried on or upon any Lot, nor shall anything be done thereon which is or may become an annoyance or nuisance to the Owners of other Lots in the Subdivision. No nuisance shall be caused, or permitted to exist, by any Owner on, about or in the vicinity of his Lot or elsewhere in the Subdivision, nor shall there be any use or practice which is the source of annoyance to residents, or which interferes in any way with the peaceful possession and proper use by the residents of the Subdivision Property or any part thereof. All parts of the Subdivision, including each Lot, shall be kept in a neat, clean and sanitary condition, and no rubbish, refuse or garbage shall be allowed by any Owner or by anyone to accumulate, nor shall any fire hazard be allowed to exist. No improper, offensive, or unlawful use shall be made of any Lot, or any part thereof, and all valid laws, zoning ordinances and regulation of all governmental bodies having jurisdiction thereof, and all regulations of the Subdivision Association, shall be observed.

5.24 Nuisance. It shall be the responsibility of each Owner to prevent the development of an unclean, unhealthy, unsightly, or unkept condition on their Lot. No Lot shall appear to be obnoxious to the eye; nor shall any substance, thing or material be kept upon any Lot that will emit foul or obnoxious odors, noise or other conditions that will or might disturb the peace, quiet, safety, comfort or serenity of the occupants of the surrounding property.

5.25 Drainage. No Owner shall permit any blockage, construction, or landscaping to impede the flow of drainage upon any drainage easement or drainage swale. If a drainage swale is on an Owner's Lot, such Owner is required to maintain any portion of the drainage swale that is on the Owner's Lot. Fences or other structures shall not be installed in public drainage/access easements. These easements shall be accessible at all times.

5.26 Sidewalks. The construction, repair and replacement of the sidewalks shall be the responsibility of each Owner whose Lot adjoins the sidewalk.

5.27 Builder and Declarant Exemption. Declarant is exempt from any and all requirements contained in this Article V of the Declaration. Builder is exempt from all requirements in this Article V, with the exception of Sections 5.4, 5.6, 5.12, 5.14, 5.20, 5.24, 5.25, 5.26, 5.28 and 5.29.

5.28 Short-Term Rentals. No lease associated with any Property or Lot shall be for a time period of less than twelve (12) months.

5.29 Compliance with WMD Permit. Each Owner within the Subdivision at the time of construction of a building, residence, or Structure shall comply with the construction plans for and permitting of the Surface Water Management System approved and on file with the appropriate WMD having jurisdiction over the Property. No Owner of any Property within the Subdivision may construct or maintain, any building, residence or Structure, or undertake or perform any activity in the wetlands, wetland mitigation areas, buffer areas, upland conservation areas and drainage easements described in the approved permit or on the Plat if any exist, unless prior approval is received from the appropriate WMD.

If any exist, the Owners shall not remove native vegetation (including cattails) that becomes established within the wet detention ponds abutting their Property. Removal includes dredging, the application of herbicide, cutting, and the introduction of grass carp. Owners shall address any questions regarding authorized activities within the wet detention ponds to WMD.

The WMD has the right to take enforcement measures, including a civil action for injunction and/or fines against the Association to compel it to correct any outstanding problems with the Surface Water Management System facilities or in mitigation or conservation areas under the responsibility or control of the Association.

Any amendment to this Declaration that alters the Surface Water Management System, beyond maintenance in its original condition, including mitigation or preservation areas and the water management portions of the Common Area, if any, must have prior approval of WMD.

If the Association ceases to exist, and if no maintenance agreement exists with an approved Association then all of the Owners shall be jointly and severally responsible for operation and maintenance of the Surface Water Management System facilities in accordance with the requirements of the Environmental Resource Permit, unless and until an alternate entity assumes responsibility as explained in the WMD's Regulations.

If the Subdivision has on site wetland mitigation which requires ongoing monitoring and maintenance, the Association shall be responsible to carry out this obligation and to complete the task successfully, including meeting all Permit conditions associated with wetland mitigation, maintenance and monitoring. The Association shall allocate sufficient funds in its budget for such monitoring and maintenance of the wetland mitigation area(s) each year until the WMD determines that the area(s) is successful in accordance with the Environmental Resource Permit.

Copies of the Environmental Resource Permit and any future permit actions of the WMD shall be attached hereto and maintained by the Association's registered agent for benefit of the Association at the office of the Association. The Permit shall be owned by the Association and the Association has the obligation to assure that all terms and conditions thereof are enforced. If the Permit is issued in Declarant's name, then on or before the conversion of the rights of the Membership, pursuant to this Declaration, Declarant shall transfer and the Association shall accept and assume all rights and obligations of Declarant under the Permit. This provision shall not be amended without the written consent of Declarant.

ARTICLE VI DESIGN REVIEW

6.1 Design Approval. No building, Structure, architectural feature or improvement, including but not limited to structures, irrigation systems, landscaping, fencing, or hedges, whether for new construction or a modification or addition to existing improvements, shall be erected, constructed, placed or altered on any Lot until the Owner of the Lot shall submit in duplicate, complete plans and specifications for such building, Structure, and/or improvement and a detailed site plan showing its proposed location, and the plan specifications and detailed site plan have been approved in writing by ARC. The approval of said plans and specifications may be withheld not only because of noncompliance with any of the specific easements, covenants, conditions, and restrictions of this Declaration, but also by reason of the reasonable dissatisfaction with the landscaping or grading plan, the proposed location of the Structure with respect to topography and finished grade elevation, the nature of workmanship and materials, the type or use of materials, the color scheme, finished design, proportions, architecture, style, shape, height, size, style or appropriateness of external design with the existing or proposed buildings, structures or improvements located or to be located upon the Property, including the heights, kind and appearances of fences, walls, any excavation or fill, change in drainage or terrain, planting, utility installation, and any other physical change or improvement to any Lot, the size, location and materials to be used in the construction of the walks and driveways, and the sizes and species of landscaping materials, all of which are included within the definition of "improvements" as such

word is used herein. One set of plans and specifications and a detailed site plan as finally approved may be retained by the Declarant or ARC.

Upon completion of any buildings, Structure or improvement in accordance with approved plans and specifications and detailed site plan, no changes, alterations, additions, reconstruction or attachments of any nature whatsoever shall be made to the exterior of the building, Structure and/or improvement or to the Lot, including that portion thereof not actually occupied by the improvements thereon, unless the same are identical to the original work, without prior written approval in the manner above provided.

ARC's approval, disapproval or conditional approval shall be endorsed upon the plans and specifications submitted by the Owner and shall be further evidenced by a written instrument executed and acknowledged by ARC. Such written instrument shall be returned to the Owner.

ARC shall not obviate any reviews or approvals required by government and does not constitute a structural review or review for compliance with building codes or any purpose other than design compatibility with the community, surrounding structures and terrain.

ARC shall have the authority to publish "Design Guidelines" which shall outline guidelines for the design of improvements to be constructed on the Lots. ARC reserves the right to amend these Design Guidelines from time to time.

6.2 Exculpation of Declarant and ARC. Declarant and/or ARC cannot and shall not be held responsible for any loss or damages to any person arising out of the approval or disapproval of plans, designs or construction errors, nor shall the Declarant and/or ARC be held responsible for loss or damages to any person arising out of noncompliance with governmental land use and building regulations. The Declarant and/or ARC also shall not be held responsible for any structural fault in design or construction. Neither the Association, ARC, Declarant, or any agent, officer or employee of the Association, ARC, or Declarant shall be liable to any Owner or other for any damages or costs arising in any way out of the approval or disapproval of any plans or applications.

6.3 Design Approval by Declarant. The Declarant reserves the right to maintain exclusive architectural control for new construction in all Common Areas, entrance and recreation areas. The purpose of architectural control is to assure that improvements in the Subdivision as a whole will preserve a uniformly high standard of construction that is attractive and harmonious. The basic architectural control for regulation of all Lots is vested in ARC. In addition, to further protect, conserve and enhance the aesthetics of the community, the Declarant itself, until the last Lot is sold, may regulate the appearance of all Common Area improvements, buildings and Structures, if any. The power to regulate vested in the Declarant temporarily and ARC permanently shall include the power to prohibit those improvements, structures, buildings found to be (a) inconsistent with the provisions of this Declaration, or the aesthetic design or quality intended to be created and preserved hereby, (b) contrary to the best interests of the Subdivision or (c) detrimental to the value and desirability of the Subdivision as a residential community with exclusive, unique and desirable qualities.

6.4 Builder Exemption. Builder shall be exempt from any and all requirements of this Article VI.

6.5 Variance. The Declarant shall have the power and authority, in its sole discretion, to grant variances in compliance with the Declaration provided, however, that such variances shall be reasonably consistent with the purpose of the Declaration and shall not materially and adversely affect existing improvements. Whenever, in the exercise of its discretion, Declarant grants a variance, each Owner of a Lot hereby acknowledges that such variance shall constitute a waiver of any conflicting provisions of the Declaration. Each Owner of a Lot appoints Declarant as its true and lawful attorney-in-fact for the limited purpose of consenting to and granting variances.

6.6 Declarant's Right to Appoint. The Declarant shall have the right to sit on and/or appoint the ARC, to remove without cause any person serving on the ARC, and shall also have the authority to fill any vacancies on the ARC all until such time as all Class "B" Membership terminates. After termination of Class "B" Membership, Declarant may elect one (1) Member to the ARC so long as Declarant owns Property in the Subdivision. Any person appointed to the ARC by Declarant does not have to be a Member and shall only be removed by Declarant unless otherwise allowed under this Declaration. The ARC shall consist of not less than two (2) nor more than five (5) members. In the absence of a formally appointed committee, the officers of the Association shall constitute the Architectural Review Committee.

ARTICLE VII PROPERTY OWNERS' ASSESSMENTS

7.1 Purpose. Assessments for Common Expenses provided for herein shall be used for the general purpose of promoting recreation, safety, health, value, and common benefit and enjoyment of the Owners. These general purposes include, but not limited to maintaining Areas of Common Responsibility, Common Areas, and expenses of general operation of the Association in the fashion that may be specifically authorized from time to time by the Board of Directors.

7.2 Assessment Lot. For the purpose of establishing and determining Assessments for Common Expenses payable by the Members, Assessment Lots are hereby established as follows:

- (a) Each Lot with a Structure thereon shall be one Assessment Lot.
- (b) Each Lot, without a Structure, shall be one-fourth (1/4) of an Assessment Lot.

7.3 Determination of Assessments for Common Expenses and Establishing a Budget. Not less than thirty (30) days prior to the beginning of each fiscal year, the Board shall adopt a budget for such fiscal year which shall estimate all of the Common Expenses to be incurred by the Association during the fiscal year and covering the estimated cost of operating the Association during the coming year. In determining the budget for any fiscal year, the Board may take into account expenses, Areas of Common Responsibility, Common Areas, Lots, and other additional obligations anticipated to be added during the fiscal year, if any. The budget may include a capital

contribution or reserve in accordance with the current year's budget. The Board shall then establish the Assessment for Common Expenses, which shall be equal to the total amount to be assessed for Common Expenses pursuant to the budget, divided by the total number of Assessment Lots within the Subdivision. The Association shall then promptly notify all Members, in writing, of the amount, frequency, and due dates of the Assessment for Common Expenses per Assessment Lot or fraction thereof at least twenty (20) days prior to the meeting of the Board at which the budget is adopted. The budget and Assessment shall become effective unless disapproved at the annual meeting by a vote of at least 51% of the Association's Members or without a majority vote of the Board. In the event the Board fails to adopt a budget and Assessment as provided herein, the Assessments for the current year shall be continued in full force and effect for the succeeding year.

From time to time during the fiscal year, the Board may modify the budget for the fiscal year. When needed, the Board may amend the budget during a fiscal year and increase the amount of the Assessments by ten (10) percent without approval of the Members, if it appears that there will be insufficient income to meet the obligations of the Association. If the increase of the Assessments exceeds ten (10) percent, the Board may make special Assessments for Common Expenses, which shall be levied in the same manner as hereinbefore provided for regular Assessments for Common Expenses and shall be payable in the manner determined by the Board as stated in the notice of any special Assessment for Common Expenses. In the event any Assessments for Common Expenses are made payable in equal periodic payments as provided in the notice, such periodic payments shall automatically continue to be due and payable in the same amount and frequency as indicated in the notice. Notwithstanding the foregoing, in no event shall any Assessment for Common Expenses payable by any Member be due less than ten (10) days from the date of the notification, of such Assessment.

7.4 Transfer of Ownership Fee: Commencing upon the transfer of title from a seller, other than Declarant or Builder, any subsequent transfer of title of any Lot(s) shall require purchaser of such Lot(s) to pay Association \$200 per Lot transfer fee.

7.5 Creation of Lien and Personal Obligation. Each Owner of any Lot by acceptance of a deed whether or not it is expressed in the deed, covenants and agrees to pay to the Association:

- (a) Assessments for Common Expenses;
- (b) Special Assessments to be established and collected as hereinafter provided; and
- (c) Specific Assessments. Any and all accrued, liquidated indebtedness of any Owner to the Association arising under any provision of this Declaration, or by contract, express or implied, or because of any act or omission of any Owner or person for whose conduct such Owner is legally responsible, interest at the highest rate allowed by applicable law, also may be assessed by the Association against such Owner's Lot after such Owner fails to pay such indebtedness within thirty (30) days after written demand. This shall include fines levied for the actions of any Owner, or guest, invitee, or family member of such Owner.

All Assessments and costs of collection for delinquent Assessments along with interest on delinquent Assessments, administrative fee for collection, and reasonable attorney fees shall be a continuing lien upon the Lot against which the Assessment is made. Each Assessment, together with interest, administrative fee, and a reasonable attorney fee shall also be the personal obligation of each person who is the Owner of the Lot at the time the Assessment is levied. Each Owner shall be liable for his or her portion of each Assessment and his or her grantee shall be jointly and severally liable for any portion that may be due at the time of conveyance. Assessments shall be paid in the manner and upon the date specified by the Board of Directors and unless otherwise provided by the Board, shall be paid in monthly installments or in one annual payment. Each Lot shall be assessed equally for annual Assessments and special Assessments.

7.6 Special Assessments. In addition to the annual Assessments for Common Expenses authorized above, the Board may levy in an Assessment year, a special Assessment for unanticipated expenses not included within the budget and not reserves, as long as the Declarant is exercising its rights under the provisions hereof, not to pay Assessments. Meetings for special purpose of considering special Assessments shall be held only after due notice to the Owners mailed not less than thirty (30) days prior to the date of the meeting.

7.7 Liens or Assessments. All sums assessed against any Lot pursuant to this Declaration together with interest as provided herein shall be secured by a continuing lien upon such Lot in favor of the Association. The lien shall be superior to all other liens and encumbrances on the Lot, and shall relate back to the recording of this Declaration and shall be superior to any homestead rights, except for liens of ad valorem taxes and mortgages held by institutionalized lenders. Persons other than recognized lending institutions acquiring interests other than first mortgages liens or encumbrances on any Lot after this Declaration shall have been recorded in the public records shall be deemed to consent to the liens and Assessments of the Association and the subsequent liens shall be inferior to future liens for Assessments of the Association whether or not prior consent be specifically set forth in the instrument creating such liens or encumbrances.

7.8 Remedies of the Association to Enforce Assessments. Any Assessments which are not paid when due shall be delinquent. Any Assessment delinquent for a period of more than ten (10) days shall incur an administrative charge for collection in the amount the Board of Directors may determine from time to time. If the Assessment has not been paid within thirty (30) days, the Assessment liens shall commence to include interest on the principal amount at the maximum rate per annum allowed by law from the date first due and payable, plus an administrative charge or late fee as allowed by law, and costs for collection, including a reasonable attorney's fee and all costs through any appeal. In the event that the Assessment remains unpaid after sixty (60) days, the Association may commence legal action to collect the Assessments or to foreclose its lien. Each Owner by his or her acceptance of a deed to a Lot, vests in the Association or its agents the right and power to bring all actions against it personally for the collection of such charges as a debt or to foreclose the aforesaid lien in the same manner as liens for mortgages on real Property. The lien provided for in this Article shall be in favor of the Association and shall be for the benefit of all Owners.

7.9 Date of Commencement of Annual Assessments and Deficit Funding.

(a) Annual Assessments shall commence upon conveyance of the Lot to a Member, other than Declarant. The annual Assessment shall be payable in the manner and on the schedule the Board of Directors may provide, and if not stated in the budget, shall be on the first of the month, and begin to accrue late fees and interest if not paid within fifteen (15) days after the due date.

(b) For so long as the Declarant is in control of the Association, it may be excused from payment of its share of the operating expenses and Assessments related to its Lots. The Declarant, by executing this Declaration, hereby obligates itself to pay any operating expenses incurred that exceed the Assessments receivable from other Members and other income of Association ("Deficit Fund"). Declarant may forego the right to Deficit Fund by notifying the Board of Directors of such, in which case the Declarant shall pay, what it is obligated to pay, Assessments in accordance with this Declaration.

7.10 Exempt Property. The Assessments, charges and liens created under this Article shall not apply to the Common Areas nor shall the Assessments apply to land or easements dedicated to and accepted by local public authority or any land used by a utility company.

ARTICLE VIII
GENERAL PROVISIONS

8.1 This Declaration is to run with the land and shall be binding on all parties and persons claiming under it for a period of thirty (30) years from the date it is recorded after which time it shall be extended automatically for successive periods of ten (10) years, unless an instrument signed by two-thirds of the Owners of the Lots agree to change the covenants in whole or in part and is recorded.

8.2 Amendments. The covenants and restrictions of this Declaration may be amended by an instrument signed by the Board of Directors of the Association with an attached certification that the amendments have been approved by the required voting percentage at a properly noticed meeting of the Association where the required quorum was present in person or by proxy or with an attached joinder signed by Owners, Declarant, and/or Builder with the required voting interest to approve such amendment.

This Declaration may be amended by a majority vote of those eligible to vote at a properly noticed meeting where a quorum is present. A quorum shall be twenty percent (20%) of the total voting interest of the Association. An Owner must be current on all its Assessments and financial accounting to be eligible to vote.

The Declarant retains the right to amend the Declaration until the sale of the last Lot to comply with any governmental requirement or request, or to correct errors, or any requirement by an institutional lender which commits to make mortgage loans for homes in the Subdivision,

without the consent of the Ownership, during the period of time before control of the Association is required to be turned over to the Ownership. Such amendment by the Declarant shall not prejudice the Ownership or diminish the property rights of Owners, nor shall they transfer any of the Declarant's obligations to the Association or to the Owners. Until such time as the last Lot which the Declarant holds for sale in the ordinary course of business is conveyed by the Declarant, it specifically reserves for itself, its successors and assigns the absolute and unconditional right to amend, alter, modify, change, revoke, rescind, or cancel any or all of the restrictive covenants contained in this Declaration or hereinafter included in any subsequent Declaration; provided, however, that no such amendment, alteration, modification, revocation, rescission, or cancellation shall prejudice or otherwise impair the security, rights and priorities of any mortgagee of record as to any of the Lots. All or any portion of the Property may be removed from the lien and operation of this Declaration by an amendment executed by the Declarant for such purposes, provided there are no conveyances of Lots or residential units constructed upon the Property being removed from the lien and operation of this Declaration. Notwithstanding any other provision in this Declaration, the Articles or Bylaws to the contrary, the Board shall have the power to unilaterally amend this Declaration to bring any provisions herein into compliance with any governmental or quasi-governmental statute, rule, regulation, or requirement, or judicial ruling. To the extent legally required, each Owner shall be deemed to have granted to the Association an irrevocable power of attorney, coupled with an interest, for this purpose.

8.3 Indemnification. The Association shall indemnify every Officer, director and Owner, the ARC and its members, as well as Declarant, against any and all expenses, including reasonable attorney fees, reasonably incurred by or imposed upon any Officer or director in connection with any action, suit or other proceeding (including settlement of any suit or proceeding if approved by the Board of Directors) to which he may be made a party by reason of being or having been an officer or director or member of the ARC, at the time such expenses are incurred. The officers, directors and members of the ARC shall not be liable for any mistake of judgment, negligence, or otherwise, except for his or her own individual willful misconduct or nonfeasance. The officers, directors, and members of the ARC shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers, directors and members of the ARC may also be Owners of the Association) and the Association shall indemnify and forever hold each such Officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein, shall not be exclusive of any other rights to which any officer, director, or member of the ARC, or former officer, director, or member of the ARC may be entitled. The Association may as a common expense, maintain adequate general liability and officers' and directors' liability insurance to fund this obligation.

8.4 Eminent Domain. In the event of a threatened taking of a Common Area, the Association shall have a power to take all action with respect to such taking. The Board may act in its sole discretion with respect to any awards being made in connection with the taking and shall be entitled to a voluntary sale to the condemnor in lieu of engaging in a condemnation action. Any awards received on account of the taking shall be paid to the Association. In the event of taking of less than all the Common Area, the rules as to restoration, replacement of any Common Area and

the improvement thereon shall apply as in the case of destruction of improvements upon the Common Area.

8.5 Insurance. The Association shall obtain, to the extent reasonably available and at a reasonable cost, insurance it deems necessary which may include, but not limited to, the following policies of insurance:

(a) fire and extended coverage insurance on all improvements upon the Common Area and Areas of Common Responsibility in the amount of 100% of the full insurance replacement cost value of the improvements, or as determined by the Board;

(b) general comprehensive public liability insurance against liability to and claims of the public, an Owner of the Association and any other person with respect to liability occurring upon the Common Area or the Areas of Common Responsibility based upon or arising out of the Association's Ownership or use of the Common Area or Areas of Common Responsibility. The minimum combined single limits of liability shall not be less than \$1,000,000 per occurrence and \$1,000,000 aggregate. The liability insurance shall name, as separately protected insured, the Declarant, the Association, the Board, the ARC (if economically feasible) and their respective Owners, employees, officers, agents and representatives.

The Association shall furnish the insurance contemplated and any judgment by the Association as to the amount and type of insurance shall be reasonable and shall be made after due deliberation in good faith and based on institutionalized lender's loan guidelines.

8.6 Contracts with Declarant or Third Parties. The Association and Declarant are authorized to enter into mutual contracts for any services the Declarant is capable of providing to the Association. The contract shall be an arm's length transaction subject to such terms and conditions as the parties may agree. Any third party contract must be capable of being terminated with thirty (30) days' notice. Agreements with any Association management company shall clearly state any estoppel fees due to the management company for a change of title of a Lot.

8.7 Headings. It is further declared that the headings or titles inserted in the Declaration and any subsequent amendments are inserted solely for the convenience of reference and shall not constitute a part of this agreement nor shall they affect its meaning, construction or effect.

8.8 Traffic. Traffic in any of the streets and roads or ways in the Subdivision shall be subject to the provisions of the laws of the State of Florida concerning operation of motor vehicles on public streets. The traffic laws shall operate as restrictive covenants and shall be enforceable by the powers of the Association, as well as applicable law enforcement agencies, including the right to collect reasonable fines for violation thereof. Reasonable speed limits may be designated by the Board of Directors of the Association and shall be posted in the Subdivision. Only drivers licensed to operate or recognized by the State of Florida may operate any type of motor vehicle or golf cart on the streets of the Subdivision. The Association is empowered to pass, administer and enforce reasonable rules and regulations for control of traffic and safety. Automobiles and trucks with noisy exhaust systems or excessive emissions shall not be operated in the Subdivision. There

shall be no racing whatsoever on the streets. All vehicles parked or driven in the Subdivision shall have a current registration tag on the vehicle. Neither go-carts, motorized scooters nor three (3) and four (4) wheel all-terrain vehicles shall be operated within the Subdivision. All vehicles of every kind and nature which are allowed on the streets of the Subdivision, shall be operated in a careful and quiet manner, and with consideration for all Owners of the Community, and in a manner to be expected from a reasonable, prudent person. Vehicles may only be operated in areas designated by the Association for vehicle operation. THE DECLARANT MAY ELECT TO INSTALL ENTRY/EXIT GATES OR SUCH OTHER TRAFFIC CONTROL DEVICES UPON THE STREETS AS IT MAY, IN ITS SOLE DISCRETION DETERMINE TO BE IN THE BEST INTERESTS OF THE ASSOCIATION AND ITS MEMBERS. THE ASSOCIATION SHALL PAY FOR THE COST OF MAINTENANCE AND REPAIR OF SUCH DEVICES AS PART OF ITS BUDGET PROCESS, AND SUCH DEVICES SHALL NOT BE AN INTERFERENCE WITH ANY EASEMENT HEREUNDER.

8.9 Perpetual Easement. Notwithstanding any provisions of this Declaration or any amendments thereto, no easements in the Common Area for ingress and egress may be terminated, said easements being intended to be perpetual; this will apply regardless of the termination of the restrictive covenants contained in this Declaration and regardless of the termination of the Declaration itself. Furthermore, notwithstanding the termination of this Declaration, the Association's power to make Assessments and its duties to maintain the Common Area and Areas of Common Responsibility shall survive the termination of this Declaration unless the instrument of termination specifically provides otherwise.

8.10 Supplemental Declarations and Additions to Existing Property. Declarant, by its sole and absolute discretion, may file such supplemental declarations as it deems appropriate from time to time, and the same will be amended from time to time as additional phases of the Subdivision are developed, without the necessity of any joinder by the Association or by any Owners in the Subdivision; there is reserved in the Declarant the unrestricted right to grant easements in all roads and Common Area throughout the Property to all Owners of Lots in the Subdivision (including phases to be developed by use of a supplemental Declaration). The right of the Declarant to extend all of the benefits of easements, as development proceeds in phases, to all Owners of Lots in the Subdivision, over roads and over other Common Area throughout the existing properties and future additions thereto is absolute and may be exercised at any time and from time to time without the joinder and without the consent of the Association or of any Owner or mortgagee whomsoever. It is likewise intended that notwithstanding the provisions of Section 2.2 (e) or of any other provision of the Declaration, neither the Association's consent nor that of its Owners shall be necessary for Declarant to grant utility easements to public utility companies and to governmental units, so long as the easements are over Common Area, Areas of Common Responsibility or over portions of Lots then owned by the Declarant.

As additional phases are developed, they shall be additional properties within the jurisdiction of the Association entitled to the easements granted herein and subject to the restrictions and Assessments set out herein. The additions shall be made by filing of record – one or more supplemental declarations with respect to the properties to be subject to this Declaration. A new supplementary filing shall extend the jurisdiction of the Association and the undivided

interest in the Common Area and Areas of Common Responsibility to the additional property owners and thereby shall subject the additional property to Common Area easements and Assessments for its just share of the Association's expenses. Each supplemental Declaration may contain complementary additions and modifications of this Declaration to reflect the different character, if any, of the added properties; provided, however, that such supplemental Declaration shall not revoke or otherwise amend this Declaration as it applies to the existing Property.

8.11 Severability. Invalidation of any one of these covenants or restrictions by judgement or court order shall in no way affect any other provisions which shall remain in full force and effect.

8.12 Declarant's Rights. The provisions of this Declaration shall not be applicable to prevent or hinder the activities of Declarant or Builder in developing, marketing, and operating the Community. Additionally and notwithstanding any other provision of this Declaration, Declarant and its designees or Builder may employ such methods of marketing including signage, parking facilities for models, and operation of sales and construction offices, as deemed appropriate in Declarant's or Builder's sole discretion, and for ingress and egress over the Common Area for this purpose.

8.13 Covenants Running with the Land. ANYTHING TO THE CONTRARY HEREIN NOTWITHSTANDING AND WITHOUT LIMITING THE GENERALITY (AND SUBJECT TO THE LIMITATIONS) OF OTHER APPLICABLE SECTIONS HEREOF, IT IS THE INTENTION OF ALL PARTIES AFFECTED HEREBY AND THEIR RESPECTIVE HEIRS, PERSONAL REPRESENTATIVES, SUCCESSORS AND ASSIGNS THAT THESE COVENANTS AND RESTRICTIONS SHALL RUN WITH THE LAND AND WITH TITLE TO THE PROPERTY. WITHOUT LIMITING THE GENERALITY OF ANY OTHER SECTION HEREOF, IF ANY PROVISION OR APPLICATION OF THIS DECLARATION WOULD PREVENT THIS DECLARATION FROM RUNNING WITH THE LAND AS AFORESAID, SUCH PROVISION AND/OR APPLICATION SHALL BE JUDICIALLY MODIFIED, IF AT ALL POSSIBLE, TO COME AS CLOSE AS POSSIBLE TO THE INTENT OF SUCH PROVISION OR APPLICATION AND THEN BE ENFORCED IN A MANNER WHICH WILL ALLOW THESE COVENANTS AND RESTRICTIONS TO SO RUN WITH THE LAND; BUT IF SUCH PROVISION AND/OR APPLICATION CANNOT BE SO MODIFIED, SUCH PROVISION AND/OR APPLICATION SHALL BE UNENFORCEABLE AND CONSIDERED NULL AND VOID IN ORDER THAT THE PARAMOUNT GOAL OF THE PARTIES AFFECTED HEREBY (THAT THESE COVENANTS AND RESTRICTIONS RUN WITH THE LAND AS AFORESAID) BE ACHIEVED.

8.14 Notices and Disclaimers As to Water Bodies, Preserves, Golf Courses and Sinkholes. NEITHER DECLARANT, BUILDER, NOR THE ASSOCIATION NOR ANY OF THEIR OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUBCONTRACTORS SHALL BE LIABLE OR RESPONSIBLE FOR MAINTAINING OR ASSURING THE WATER QUALITY OR LEVEL IN ANY LAKE, POND, CANAL, CREEK, STREAM OR OTHER WATER BODY WITHIN THE COMMUNITY, EXCEPT (i) AS SUCH RESPONSIBILITY MAY BE

SPECIFICALLY IMPOSED BY, OR CONTRACTED WITH, AN APPLICABLE GOVERNMENTAL OR QUASI-GOVERNMENTAL AGENCY OR AUTHORITY OR (ii) TO THE EXTENT THAT OTHER EXPRESSLY APPLICABLE SECTIONS HEREOF WOULD OTHERWISE APPLY, IF AT ALL. FURTHER, ALL OWNERS AND USERS OF ANY PORTION OF THE COMMUNITY LOCATED ADJACENT TO OR HAVING A VIEW OF ANY OF THE AFORESAID WATER BODIES SHALL BE DEEMED, BY VIRTUE OF THEIR ACCEPTANCE OF THE DEED TO OR USE OF, SUCH PROPERTY, TO HAVE AGREED TO HOLD HARMLESS THE DECLARANT, BUILDER, AND ASSOCIATION FOR ANY AND ALL CHANGES IN THE QUALITY AND LEVEL OF THE WATER IN SUCH BODIES, REGARDLESS OF ANY PRECEPTION OR VERBAL COMMUNICATION PURPORTING TO REPRESENT THAT ADJACENT LAND MAY NOT BE DEVELOPED, DECLARANT, BUILDER, AND THE ASSOCIATION DISCLAIM ANY SUCH PERCEPTION OR COMMUNICATION.

ALL PERSONS ARE HEREBY NOTIFIED THAT, FROM TIME TO TIME, ALLIGATORS AND OTHER WILDLIFE MAY INHABIT OR ENTER INTO WATER BODIES WITHIN THE COMMUNITY AND MAY POSE A THREAT TO THE PERSONS, PETS AND PROPERTY, BUT THAT THE DECLARANT, BUILDER, AND ASSOCIATION ARE UNDER NO DUTY TO PROTECT AGAINST, AND DO NOT IN ANY MANNER WARRANT AGAINST, ANY DEATH, INJURY OR DAMAGE CAUSED BY SUCH WILDLIFE.

ALL PERSONS ARE HEREBY NOTIFIED THAT, FROM TIME TO TIME, SINKHOLES MAY OCCUR ON THE PROPERTIES AND NEITHER THE DECLARANT NOR ANY BUILDER SHALL BE LIABLE OR RESPONSIBLE, IN ANY WAY WHATSOEVER FOR THE DAMAGES CAUSED BY THE OCCURRENCE OF ANY SINKHOLE. OWNERS ARE ADVISED TO OBTAIN INSURANCE FOR PROPERTY DAMAGE TO THEIR DWELLING FOR THIS PURPOSE.

8.15 Attorney's Fees. In the event of any dispute arising out of the terms of this Declaration, whether or not a lawsuit, arbitration, or other proceeding is filed, the prevailing party shall be entitled to recover its reasonable attorneys' fees and costs (including those incurred in any related appeals, post judgement collection proceedings, or bankruptcy proceedings), including attorneys' fees and costs incurred in litigating entitlement to attorneys' fees and costs, as well as in determining or quantifying the amount of the recoverable attorneys' fees and costs. The reasonable costs to which the prevailing party is entitled shall include costs that are taxable under any applicable statute, rule, or guideline, as well as non-taxable costs, including but not limited to, costs of investigation, copying costs, electronic discovery costs, telephone charges, mailing and delivery charges, information technology support charges, consultant and expert witness fees, travel expenses, court reporter fees, and mediator fees, regardless of whether such costs are otherwise taxable.

8.16 Severability Clause. If any provision of this Declaration is found to be invalid or unenforceable, the validity and enforceability of the remaining provisions of this Declaration will not be affected or impaired.

8.17 Waiver of Jury Trial. The Association and all Owners agree to waive trial by jury in respect of any dispute and any action on dispute. This waiver is knowingly, willingly, and voluntarily made by both parties, and both parties hereby represent that no representations of fact or opinion have been made by any person or entity to induce this waiver of trial by jury or to in any way modify or nullify its effect. This provision is a material inducement for the parties entering into this Declaration.

8.18 Conflicts. If there is any conflict between this Declaration, Bylaws, and/or Articles of Incorporation for the Association, this Declaration shall govern.

8.19 DISCLAIMER OF REPRESENTATIONS OR WARRANTIES. EXCEPT AS EXPRESSLY PROVIDED IN THIS DECLARATION, NO REPRESENTATION OR WARRANTY OF ANY KIND, WHETHER EXPRESS OR IMPLIED, HAS BEEN GIVEN OR MADE BY DECLARANT OR ITS AGENTS OR EMPLOYEES IN CONNECTION WITH THE PROPERTY, ITS PHYSICAL CONDITION, ZONING, COMPLIANCE WITH APPLICABLE LAWS, MERCHANTABILITY, HABITABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR IN CONNECTION WITH THE SUBDIVISION, SALE, OPERATION, MAINTENANCE, COST OF MAINTENANCE, TAXES OR REGULATION THEREOF. IF ANY SUCH WARRANTY CANNOT BE DISCLAIMED, AND AS TO ANY CLAIMS WHICH CAN BE MADE AS TO THE AFORESAID MATTERS, ALL INCIDENTAL AND CONSEQUENTIAL DAMAGES ARISING THEREFROM ARE HEREBY DISCLAIMED.

ARTICLE IX
DISCLAIMER OF LIABILITY OF ASSOCIATION

9.1 Notwithstanding anything contained herein or in the Association Documents neither the Association, Builder, nor the Declarant nor any Officer or employee thereof shall be liable or responsible for, or in any manner a guarantor or insurer of, the health, safety or welfare of any Owner, occupant or user of any portion of the Subdivision including, without limitation, residents and their families, guests, invitees, agents, servants, contractors or subcontractors or for any property of any such persons. Without limiting the generality of the foregoing:

(a) it is the express intent of the Association Documents that the various provisions thereof which are enforceable by the Association and which govern or regulate the uses of the properties have been written, and are to be interpreted and enforced, for the sole purpose of enhancing and maintaining the enjoyment of the Property and the value thereof;

(b) the Association is not empowered, and has not been created, to act as an entity which enforces or ensures the compliance with the laws of the United States, State of Florida, Escambia County and /or any other jurisdiction or the preventions of illegal activity;

(c) any provisions of the Association Documents setting forth the uses of Assessments which are related to health, safety, security and/or welfare shall be interpreted and applied only as

limitations of the uses of Assessment funds and not as creating a duty of the Association to protect or further the health, safety, security or welfare of any person(s), even if Assessment funds are chosen to be used for any such reason;

Each Owner (by virtue of Owner's acceptance of title to their Lot) and each other person or entity having an interest in or lien upon, or making any use of, any portion of the Property (by virtue of accepting such interest or lien or making such uses) shall be bound by this Article and shall be deemed to have automatically waived any and all rights, claims, demands and causes of action against the Association arising from or connected with any matter for which the liability of the Association has been disclaimed in this article.

The Common Area and easements contain wetlands, roads and water areas which may present hazards to persons and which may contain wildlife and other organisms of danger to children and other persons. All Owners, on behalf of themselves, their families, guests, and invitees, hereby agree that the Association shall have no liability for any activities undertaken by any person on Association lands or Common Areas and easements which result in injury from such natural elements. All Owners, families, invitees and guests agree that any person using such lands does so at his own risk. All Owners shall undertake to warn others of such hazards when appropriate.

As used in Article IX, "Association" shall include within its meaning all of the Association's directors, Officers, committee and board members, employees, agents, contractors (including management companies), subcontractors, successors and assigns. The provisions of this Article shall also inure to the benefit of the Declarant and Builder, which shall be fully protected hereby.
